

ACS-GHS February 2022 Newsletter

Upcoming Events

February 15th - Application Deadline: DBC Travel Award for 2022 ACS Spring Meeting in San Diego

February 16th - IUPAC Global Women's Breakfast and Networking Event (Virtual)

February 21st - ACS-GHS Monthly Board Meeting (Zoom)

February 26th - Science & Engineering Fair of Houston (George R. Brown Conventions Center - Hall E)

[Check our website and below for details on these upcoming events.](#)

Science & Engineering Fair of Houston Needs Chemistry Judges!

The Science & Engineering Fair of Houston Needs Chemistry Judges!

[Register as a Judge](#)

As one of the largest and longest running science fairs in Texas, the Science & Engineering Fair of Houston relies on a large group of professional volunteers to serve as judges for up to 800 student projects each year. SEFH 2022 is looking for volunteers to judge projects in junior (grades 6-8) and senior (grades 9-12) divisions across 18 different categories. Anyone with a bachelor's degree is eligible to serve as a judge!

SEFH 2022 is scheduled as an in person event on **Saturday, February 26, 2022** at the George R. Brown Convention Center - Hall E. All participants will be required to wear face masks throughout the event. As a place award judge, time commitment may be up to eight hours from around 7:30 am to 3:30 pm, but most judges will be done by 12:30 pm.

[Additional information about the judging process and schedule can be found on the SEFH website.](#)

Graduate Student and Post-doc DBC Travel Awards: Spring 2022 ACS Meeting in San Diego

Members of the Division of Biological Chemistry who are graduate students or post-doctoral researchers and planning to attend the ACS Spring meeting should apply now for a Travel Award. Selected awardees will be reimbursed up to \$600 for travel and registration. The application deadline has been extended to **February 15, 2022**.

For more information, visit [ACS DBC Travel Awards](#).

IUPAC Global Women's Breakfast and Networking Event

IUPAC is inviting scientists and students around the world to join in the 4th Global Women's Breakfast on **February 16, 2022 from 9:30 AM to 11:00 AM**.

Empowering Diversity in Science

ACS - GHS Monthly Board Meeting

ACS-GHS executive board meetings are scheduled on the third Monday of every month and are open to any members of the ACS-GHS that wish to attend.

Monday, February 21st
6:30 - 8:00 PM

With regards to the health and safety of our board and members, this meeting will be conducted online via Zoom only.

Members are welcome to participate in the meeting. Please [register for the meeting](#) to receive the Zoom meeting link, or email acs-ghs@acs-ghs.org prior to the scheduled meeting date to be added to the meeting invitation.

Seeking Project SEED Mentors Summer 2022

The ACS Project SEED summer research program creates opportunities for economically disadvantaged students to experience what it's like to be a chemist. To promote this initiative, we are now seeking mentors to lead our high school student participants in the summer of 2022. All mentors will be appointed to no more than 2 students.

Starting **December 1st, 2021**, we will be accepting proposals for both **in-person AND virtual research projects**. If interested, please contact the Project SEED Area Coordinator, Dr. Javoris Hollingsworth, at hollinjv@stthom.edu for further details.

To submit content for the ACS-GHS monthly newsletter, email Erica Lopez aterlopez2@uh.edu
