Friday, January 25th
6 pm - 8 pm
Spring St. Beer and Wine Garden
1920 Houston Ave
Houston, TX 77007

2019 Project SEED Mentors Needed

Register by January 30 to make a difference in the life of a junior or senior high school student by helping them to discover new career paths as they approach critical turning points in their lives by providing meaningful and safe, hands-on research chemistry-related projects that expose them to working in a laboratory as a scientist.

More information and applications for Summer 1 and 2 projects are available on our [website](#).
