

ACS-GHS November 2020 Newsletter

Upcoming Events

October 29th - November 22nd - Local Section Elections

November 19th - Local Section Brainstorming

December 9th - ChemLuminary Awards

[Check our website and below for details on these upcoming events.](#)

2021 ACS-GHS Local Elections

Local section elections are underway now until November 22nd. At the time of publishing, 101 ballots have been cast thus far. Please note "Only eligible sections members will be receiving a link to the ballot per National guidelines." Check your email for links. Candidate bios are available [here](#).

GHS Program Brainstorming

Join the ACS-GHS for a social networking and brainstorming meeting as we discuss what our local section programming should look like in 2021. Do you have ideas for programs that the GHS could host or examples of outstanding outreach activities that could work in a current and post-COVID world? Are there events, meetings, or trainings that you would like to see that the GHS could offer? Bring your programming wish list and idea generators for a lively discussion about the future of GHS programs!

Thursday, November 19th
6:30 - 8:00 pm
via Zoom meeting

Meeting link will be sent to registered participants.
Register at: <https://acsghs.wildapricot.org/event-4040327>

2020 ACS ChemLuminary Awards

We are happy to share that the Greater Houston Local Section has been selected as a finalist for the following six ChemLuminary Award(s):

- Best Activity or Program Highlighting ACS Change Driver(s) or Strategic Planning
- Outstanding Continuing Public Relations Program of a Local Section
- Outstanding Performance by a Local Section (Large Size)
- Outstanding Engagement with K-8 Students
- Outstanding High School Student Program Award
- Outstanding Local Section YCC

The ChemLuminary Awards ceremony will be held virtually on Wednesday, December 9, at 4:00 p.m. Eastern Time. To register for the event and for more information, please see the [ACS ChemLuminary Awards page](#).

YCC Game Night Summary

The YCC game night was a success! After some hilarious technical difficulties, our band of 4 brave souls ventured off into the world of fierce competitive trivia. We learned that stealing someone else's body is an acceptable means of survival, and everything Kevin says can be easily twisted. We hope to see you join us for our next installment of YCC Jackbox

Game Night!

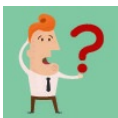

2020 ACS-GHS Local Awards Ceremony

We had a wonderful Awards ceremony on Saturday, October 24th with 45 members logged on. We celebrated our ACS Fellows, Regional Award winners, Local Section award winners, our Houston area Chemistry Olympiad team members, P3 Salutes to Excellence awards, our 50 and 60 year ACS members, and our local section volunteers. The evening was capped off with a keynote presentation by our Joe W. Hightower Award winner, Roxie Allen. If you missed the event, check out our [YouTube Channel](#) for a recording.

Guess the Molecule

I'm a dye, a stain, an indicator, and a drug? What compound am I?

October's Answer: Loratadine
